

## **Pennine and Scottish French Bulldog Association Championship Show critique 1<sup>st</sup> May 2022**

I would like first to congratulate the P & S F B A for such a brilliantly run 10<sup>th</sup> Anniversary show which I was honoured to judge.

I have to say after being absent from the French bulldog ring for the past few years I was eager to see and judge my beloved breed.

I did not go lightly when it came to moving them in the ring and thank the exhibitors for their patience as it was of upmost importance to assess they were fit for function; I am pleased to say the majority showed no sign of distress.

Many thanks to all who entered under me, I thoroughly enjoyed my day
