

P&SFBA Championship Show

Judge Abbie Cund (Chelmbull)

Firstly a huge thank you to those that entered and accepted my decisions sportingly, as always I had the most enjoyable day with our wonderful breed, so my appreciation to the club for my invite. Overall I was pleased with the quality of the dogs before me, however I still feel so strongly about short sternums becoming more apparent, flat feet, and weak rear ends. We really cannot let these poor and health detrimental traits become the norm in our lovely breed.
